Dear Friend:

The First State Gymnastics Athletic Association (FSGAA) is a non-profit 501(c)(3) organization representing the competitive gymnastics team of First State Gymnastics Training Center, a registered USA Gymnastics Member Gym located in Newark, Delaware. Our primary goal is to support young gymnasts and their families with the expenses of having our teams compete in State, Regional, National and International meets. The FSGAA makes this type of competitive schedule possible, by providing over \$50,000 in meet fees and expenses.

The FSGAA supports 50-60 gymnasts ranging in age from 6 to 18, who participate in both compulsory and optional level USA Gymnastics sponsored meets. The gym's competitive program focuses on leadership, sportsmanship, teamwork, community service and academics. Our gymnasts are very dedicated and train 6 to 20 hours per week in the gym preparing to compete locally, regionally and nationally in pursuit of the Olympic dream. Currently training at First State are multiple State champions, as well as Regional and National Qualifiers.

In order to defray the costly expenses of traveling and competing in these meets, we are asking for your help! You can make an immediate difference in the lives of our gymnasts and their families. Please consider supporting this year's competition teams. Your generous contribution may be totally tax-deductible and will go directly to the **First State Gymnastics Athletic Association**.

I would like to thank you in advance for your support. Your generosity is greatly appreciated by the FSGAA and all the Athletes!

Sincerely,

Maria Lash
FSGAA President
