- Need to discuss cost of state meet with the gym owners
- Want to contact Kim at Mid Coast regarding info on hosting a state meet
- Sponsorship packages need to be re-discussed with Slava and the Pierson's
- Still need a fundraising chair

Finance Committee

- We continue to track the cost of meets/sessions/#girls/Budget
- Have discussed with coaches their help in keeping costs in check and saving where ever possible. There are new reimbursement guidelines which are being followed by the FSGAA for coaches' expenses.
- Dana Estrada and Bill Lang will schedule a meeting with Slava, Joan & Duke regarding sponsors for the team and the cost of hanging them in the gym. Need to get this finalized for the purpose of the state meet
- 1099's will need to be completed in Jan for the Coaches

Social Committee:

- Cheryl S has sent a message regarding Secret Santa and Coaches gifts. Please give donations to your level reps
- End of the Year Picnic will be held at University of Delaware Pool in June
- We will have the pool privately from 7-9 and we can have a DJ
- Looking into a possible bowling outing

Web Page:

- Level reps, send in scores for Beth to post
- Melissa Liott has a new Communications form for us to fill out to do press releases in the area publications

Fundraising:

- Candy Brown will be following up with a Joe Corbi Fundraiser
- John Sidoriak is getting info for Ibach's and Dolle's candy fundraiser – needs someone to organize, he will pick up all the product.
- Sponsorships- Dana and Bill to follow up

General Comments:

- Sharon Struthers brought up a motivational article that was sent to some members of the gym. The article makes good points and the discussion is how we can use the information that was provided in this article
- One suggestion was that the girls may want to form small groups for discussion among themselves, and their parents may want to form discussion groups as well
- Discussion needs to continue at the Jan meeting

Comments, corrections or questions please let me know.

Thanks,
