They are paid mileage per the IRS rate, and can only be reimbursed for hotel stays if the meets are more than 50 miles from First State Gym. The amount they receive is the cost of the host hotel.

**Home Meet:** Food drive is part of our meet so please every gymnast attending bring something for the Food Bank of De. There are boxes in the gym to deposit the food or paper products.

Anyone who has volunteered to bring tables please bring them Saturday for set up. Set up starts at 12:30 for the upstairs and 2:30 for the gym floor.

If you have plexiglass sign holders, please bring them on Saturday, we need them for the food concessions and for labeling the award places.

Anyone bringing baked goods can bring them to the Saturday set up as long as it does not require refrigeration. All baked goods must be individually wrapped.

Cheryl will be sending out a copy of all the workers and the jobs and shifts being worked. Please arrive ½ hour before your shift and 45 min. before if you are working the parking or admissions or check in. Make sure to find Cheryl Santmyer or Judy Seelig to check in so you get credit for working the session.

Each family working the proper amounts of sessions will receive 2 free admission tickets per daughter. One for yourself and one for your spouse or whomever you would like to give it to. You must pick up these tickets before the meet. An envelope with your name on it can be found at the gym.
